Subject: HQ point-of-contacts for AK large-scale projects

Matt, Mark, Gayle, and Becky,

Afternoon. I just had a call today with HQ about identifying a HQ point-of-contact for specific AK large-scale projects. See below for the staffing assignments provided.

Chuitna Coal Mine - Jenny Thomas

Donlin Gold Mine - Jenny Thomas

Susitna/Watana Hydro - Rachel Fertik (Jenny until Rachel returns from maternity leave in November)

Juneau Access Road - Chris Hunter

Alaska Stand-Alone Pipeline (ASAP) - Abu Moulta-Ali

Greater Moose's Tooth - Abu Moulta-Ali

Please make sure to CC these staff on key correspondence as well as contact them when you have questions or may need some review support on letters, e-mails, etc. as needed. Give me a call if you have questions.

Thanks
